This has reference to our earlier communication dated 2<sup>nd</sup> March, 2016, regarding disruption of manufacturing operations at our Rohtak unit due to the agitation in Haryana.

The Board of Directors in the meeting held today reviewed the updates in the matter and wish to state as under :

Apropos to completion of survey by Insurance Company, followed by dismantling of the fire damaged factory, the Company started activities of rebuilding the factory including new civil structures and expects to recommence the manufacturing operations in Q4FY17.
